Our appointed Exhibition builder is Harry the Hirer. A contact from Harry the Hirer will be reaching out to discuss your branding/fascia details and stand upgrade opportunities.

We recommend that you include more than your Logo/Company name in your fascia. We suggest you also include your company tagline so that attendees who are not familiar with your brand, can understand your service offering.

Sponsors and Exhibitors.

Your standard Exhibition stand looks like this. Your pre-built meeting stand with fascia comes with 4 stools, wi-fi and 1x 4-amp power outlet.

You may book and pay for an upgrade to include a cabinet, monitor and additional branding on lower panels from Tuesday 4 October. Tuesday 18 October is the last possible date to do this which includes provision of additional graphics.

Start Ups

Your Furniture order looks like this. You will be positioned in the exciting Start-Up Zone and have access to Power and Wi-fi. *Start Ups are unable to upgrade their package.*

If you'd like to upgrade, please order via your unique portal link that was emailed to you directly from Harry the Hirer.

Displays & signage

Due to the open design of the ATC2022 Expo Hall, we ask that exhibitors do not bring display banners to the exhibition. Each exhibitor stand is supplied with your branding already installed. Exhibitors can choose to upgrade to additional branding on their stand via the Harry the Hirer portal. All branding requirements must be confirmed to Harry the Hirer via the portal by Tuesday 4 October. Please do not attach anything to the walls and surfaces of the Luna Park venues. Balloons are not allowed.

If you have an outdoor activation or stand at a game or ride, please discuss signage options with the ATC Event team who will guide you on Luna Park's rules and safety guidelines.

Food & beverages on stands

If you would like to give away food (lollies, cupcakes, donuts etc) or soft drinks at your stand you are required to get written permission from Luna Park. Please complete the External Food Waiver Form on Page 19.

Only alcoholic beverages supplied by Luna Park Sydney as part of the ATC2022 event may be consumed on the premises. Cocktail Sponsorships are available via the ATC event team.

Electrical Equipment & Power boards

All booths and stands will be supplied with 1x 4amp power supply, unless otherwise specified in your sponsorship package.

Exhibitors requiring non-standard power for large equipment must advise the Exhibition Stand Builder in the first instance. If they are unable to assist, please contact Luna Park's Event Manager Ray Muckian rmuckian@lunaparksydney.com a minimum of 1 week prior to the event.

All portable equipment, appliances, and leads used, must be tested and tagged in accordance with the Workplace Health and Safety Regulations and Australian Standard 3760-2000. Any electrical equipment found to be untagged MUST be tested and tagged or removed from site immediately. Ensure you have gaffa tape to secure your loose cables to the carpet.

EXTERNAL FOOD WAIVER – LUNA PARK VENUES

Indemnity for Food Supplied by Client

Whilst Luna Park Sydney (LPS) respects the needs of its customers to make those special occasions truly memorable by having some speciality food and beverage items prepared offsite, LPS has invested a lot of time and effort in ensuring the provision of food and beverage service at your function is as safe as possible. We do not wish to compromise the safety of guests through the consumption of food not prepared, or beverages not provided, by LPS. Therefore, if speciality food items or beverages are required it is preferred that they are sourced from commercial food processors through LPS's purchasing department.

Please note that LPS is HACCP accredited and will not allow anything that may affect this certification.

Therefore, all food brought into the Park must be heated or chilled to comply with NSW Food Act 2003, be in sealed containers and come through the LPS loading dock where temperature is checked by the Receivables Coordinator.

Where the speciality food items or beverages are provided by the client, it is required for the protection of guests and LPS that the Hirer sign an indemnity in favour of LPS.

Without limiting our obligations as a Hirer as specified in the Venue Hire Contract, previously executed by **Australian Talent Conference** in consideration of LPS permitting me to bring in food and/or beverages to the event, we, the undersigned, release and indemnify LPS, its employees, officers, contractors and agents from and against any loss, claim, demand, liability or damage whatsoever however arising (including liability or damage caused by any negligent act or omission) in connection with the supply of food items or beverages supplied by me for the Event.
